

In the Silence

In the silence
so much

absolute horror
absolute love

It takes
my breath
away

No breath no voice
no voice no words
no words no meaning

Just a cry
from the heart
a heart cry
Ai Ai Ai

Just a sorrow
so deep
such deep sorrow
Oh Oh Oh

Just the silence
the silence of TI
TI's silence
Immense Immense
makes sense

In the silence
so much

Absolute Horror
Absolute Love
